

## **Information re PUD Business Postings on Facebook**

There are several posts on Facebook by Steve Childers regarding PUD business. Steve Childers is not a PUD Board member and has not been on the PUD Board since August 2024.

In August 2024, a volunteer took on the duties of posting the approved PUD meeting minutes and meeting dates on the website. Shortly afterward, a 4th member joined the board and was named the Communications Director - responsible for all communications including the website; however, this member was not ready to take on the website and was fine with the volunteer remaining the one to update the website.

In July 2025, there was a 5th member to join the board - and this member raised an issue with the volunteer who had been posting the approved minutes on the website. At this point, the volunteer ceased all assistance that she had been providing, and it was then back on the Communications Director to update the website. (This timing fell in line with when the June minutes were to be posted.) The Communications Director reported that he was unable to obtain the website password from the IT consultant, and therefore was unable to update the website.

Meanwhile, the 5th member resigned from the Board in the middle of his second meeting as a Board member - and leading the charge to stop the volunteer (who was assisting the PUD with website updates) from assisting the PUD at all.

Then, the 4th member, the Communications Director, resigned via email the Saturday evening just prior to the September 8 Board meeting - after the agenda for that meeting was posted.

There is now a new 4th Board member who was sworn in at the September 8 meeting and who is skilled in website maintenance. She will be sworn in again at the next meeting for the sake of those complaining about the emergency process that was taken at the last Board meeting with regard to swearing in a new Board member. Once this new 4th Board member is sworn in again, she will be the Communications Director and all missing approved minutes will be posted on the website.

NOTE: The PUD is not required to have a website. Anyone can email [admin@flyinglpud.com](mailto:admin@flyinglpud.com) to request a copy of approved minutes. The current PUD Board members are Judd, Will, Leslie and Katherine (who will be sworn in a second time on September 18.)
